In accordance with USASA Bylaws Rule 702, (Registration of Players):

Section 3.

"Each Organization Member (except an Associate) shall allow a player to register on multiple teams."

Section 4.

If a player is registered on more than one team in the same National Cup competition, the multiple registered player must declare his or her primary team at least one week prior to the beginning of the competition. Once the primary team has been declared, the player may not change teams in that National Cup competition until after the competition has been completed."

1. A Dual Player Registration Fee must be paid for the secondary registration.
2. An additional (second) Player I.D. shall be issued to any dual registered player, and the State Registrar shall place an appropriate marking on the Player Pass indicating such secondary registration.
